### **Howsham Village Hall Clean up.**

2pm, Saturday 14th January

We are holding another 'clean up' at the village hall this month. It gives us a chance to have a bit more through clean through, tackle any bits that need fixing and sort through outside too. The village hall belongs to the community, and is our main community meeting place, please show your support and pop along to lend a hand.

### HOWSHAM POND

The pond too belongs to the community. Last year volunteers spent many hours clearing and tidying up around the pond. However, the reeds have grown back again, taking over much of the pond.

Major Kelly's Ceilidh Band  
Will play Howsham Village Hall  
on Saturday 4th March  
to include  
Pulled Pork Supper

## Church Hall Loo Project

As you are all aware, we have been busy over the past few years fundraising to build a toilet at Cadney Church. If you have visited the Church Hall you will see how great it looks after its facelift - years of dilapidation left it little more than a shell, but its now a warm, functioning community building within the village. We have been lucky to secure a grant to add to our fundraising cash and will hopefully be starting our toilet project very soon! We will be installing an 'Eco Loo' – a composting toilet that requires no facilities such as water or drains – it does sound basic but is really quite sophisticated in its design! Thank you to everyone who has contributed in our efforts to get our project off the ground. We can now start to use the hall more frequently which will all help to bring income into the Church to help to keep it open and available to the community. Sarah Fletcher

Nikki Barnard writes; Many thanks to all who supported the first **Festival of Christmas trees** in early December. We welcomed 19 trees, all designed and decorated by local families, businesses and voluntary groups. Over the course of the day we had well over 130 visitors and the afternoon was completed with a short candlelight carol service. The day raised in excess of £400 towards the loo fund, which will see a composting toilet installed at the Church Hall. There was a vote for the favourite Christmas tree with the joint winners being; The Old Barn Bed and Breakfasts' Big breakfast tree and The Barnard Children's Wizard of Oz tree. Nikki and Sarah would like to thank everyone who was involved in making the day such a success and hopefully will welcome more families and groups in designing and decorating trees again for Christmas 2018.

Sarah would also like to say 'Thank you' to Wendy Hannath and Rachel Stringfellow for all their efforts decorating the church for the Festival and the Christmas period.

North Lincolnshire Community Champion Awards. The awards took place back in November, but as we printed the December newsletter a little early, we didn't have the winners then.

Congratulations to Steve Clark from Howsham who won and to last year's Y6 at Wrawby school including Callum Barnard of Cadney who won the award

## A look back on 2016 in Cadney and Howsham

**January.** Howsham Rocks with Clayton, Cross & a can of worms played to a sell out crowd at Howsham Village Hall, they went down so well it was agreed we definitely had to have them back again,

**February.** Tony and Teresa Ward held a Fun Charity Night to raise funds for Scott, who had terminal cancer.

**March.** Sue Hoy gave another popular Gardening Talk on 'Colour in your Garden'. There was a 'Clean for the Queen,' Howsham Pond tidy up and litter pick. A Brigg Matters magazine was delivered with each newsletter along with a leaflet about the new Call Connect bus service which had just been launched. And some details of the Open Gardens in June were announced including that this year we would be donating some of the proceeds to Lindsey Lodge Hospice.

**April.** A decorate a duck afternoon was held after Jim Longley kindly cut out over 40 ducks, that could be painted. The parish Council held their Annual Parish Meeting, and Cadney's John Delaney and his daughter Clare under took a tough sponsored bike ride in aid of Prostrate Cancer.

**May.** The annual Howsham Duck Race took place on May Day Bank Holiday. It was a very wet day and rained heavily all throughout the race time. But raised £684 for Howsham Park. A defibrillator was attached to Howsham Village Hall, promotional leaflets for Cadney and Howsham had been printed and everyone got a copy with their May newsletter. The Annual Parish Council meeting was held at Cadney Church Hall.

**June.** Debbie and John Clark renewed their vows at Cadney Church inviting anyone who wanted to come along, and several friends joined their family at the service. It was also the very popular Open Gardens event. It was a fantastic event with so many people from both villages playing a part, it would difficult to name everyone, but was a great example of how Cadney and Howsham folk are great at pulling together. The event is being rested in 2017, but will hopefully return in 2018. The event raised £1600, that was split between 5 good causes.

**July.** Cadney Church held a 'Last Night of the Proms' style concert with Barrow Band, and it was fantastic to see the church so packed. It also raised almost £500 for the Church's Loo fund. The schedules for Howsham show had been sent out to everyone, to help them plan their entries for

the show in September.

**August.** The Annual Family Camp out, returned once again, ably organised by Petra. Dave and Liz from Cadney got in touch to say they think they had a record breaking delphinium. They also appeared in the Scunthorpe Telegraph next to the giant 9ft 6ins flower. There was a wait of a several weeks as they waited to hear from the Guinness World Records as to whether it was officially a record.

**September.** Howsham Village show returned with 300 entries from 40 entrants. Deb Hall and friends held a Macmillan Coffee afternoon raising around £350. Plus, we were pleased to announce Howsham had once again won the Northern Lincolnshire CPRE's Best Kept Village competition in the small village category and also the best playground award. Niikki Barnard announced plans to hold a Christmas Tree Festival in Cadney Church in early December.

**October.** Cadney Church held it's Harvest Festival followed by an auction and raised £350 for church funds. Mark Boyden held a LIVES Pop in session demonstrating CPR and first aid. Cadney cum Howsham announced it now had it's own website:

[www.cadneycumhowsham.org.uk](http://www.cadneycumhowsham.org.uk)

**November.** There was a reminder about fireworks and animals and Dave and Liz announced that their delphinium was officially a world record breaker!

**December.** Just this last month, we have had our first Christmas Tree Festival, which was fabulous, and all the different trees looked wonderful in our church. Once again some of Howsham Village Hall committee held their annual Christmas lunch with 36 people attending. Then on Christmas Eve, Chris Fletcher got everyone singing carols around Cadney before coming into the Church Hall for mulled wine, then packing into a full Cadney Church for the Christingle lead by Trudy, our new curate who mixed science into the service to give it some sparks.
