Mr Jason Ward writes;

Myself and my wife have lived in Howsham for several years now. Our house is behind Main Street and our only access in is along the small lane next to Bramley House, part of which is also a public footpath. Lots of people use the footpath to walk their dogs, but recently the problem of a few dog owners not clearing up after their pets has become worse. Because this is our only access it means we are having to drive through dog mess, which is then on our car wheels. We are just asking for a little cooperation and consideration from dog owners to clean up when their pet poos and to always take dog poo bags out with them. Thank you.

LINCS SKIES CALENDAR COMPETITION

Debbie Clark writes;

Last year the twitter account LincsSkies, which shows Lincolnshire's best views and skies, produced a fundraising calendar with all the money raised going to the Lincs Air Ambulance and they raised over £7,000. They are doing it again this year and are looking for great photos either from cameras or quality phone photos you can tweet them to @LincsSkies with #LincsskiesComp or email them to Lincsskies@gmail.com. We have some lovely local views and it would be great to have one in the calendar.

Rachel Rogers the lady who is the organiser is also looking for sponsors to sponsor a month of the calendar, this helps covers costs and more money is raised for charity. Call Rachel on 07931 409307 if you can help.

Best Kept Village

Here are some of the comments:

Considerable effort has been made to enhance the environment with floral displays and effective planting. There is a good border of grasses and flowers on Main Street opposite Clayton's Corner. There are wooden planters with a good variety of plants at the village sign on the B1434 and on Cadney Road, where there are also two excellent raised beds opposite Chestnut View. The planting at the Village Hall is excellent and extensive.

The playground is a compact and attractive area behind the village hall with a good range of wooden equipment. The grass was reasonably well-cut and the wood chippings recently renewed. The planting around the playground makes it an attractive site. Particularly imaginative are the old tyres cut away and attached to the fence to create planters with a good range of flowers.

Residents are also to be commended for some attractive gardens e.g. on Williamson Close and Cadney Road, where a number of properties have colourful borders or planters outside.

The café occupies a prominent position on the main road through the village and has some excellent floral displays around the site.

We scored full marks for the Playground, scored 146/150 in the small village category and 48/50 in the community planting. Well done everyone.

NEWSLETTER REGULARS
