Further to the correspondence we sent regarding our fees increasing in November 2022, we wanted to confirm that although we did not increase payroll fees at that time we will have to increase fees as we enter the new financial year. We anticipate that fees will increase in line with the rest of the business at 10% for pay dates falling after 6th April 2023. Increasing our fees will ensure we can continue to invest in our team, training and systems to maintain the standard and quality of work we endeavour to provide. We trust you understand our position and look forward to continuing to look after you.  
  
Kind Regards,  
  
Payroll Hub Team
